

Guide to Contents of NCHRG COMPUTER ARCHIVE

1 January 2009 M.J. Slater

There are two sets of folders, in **Indexed-pdfs** and in **Indexed-non-pdfs**.

Some material has been converted to pdf but not all. Some material may appear in both sets. Some material is difficult to classify.

This is not an index and material is not reliably cross-referenced or duplicated in different appropriate folders.

Indexed-pdfs

Agricultural activities

Agriculture, Farming
Bees
Boskins
Churnstands
Gatestoops
Langcliffe
Pigs
Vaccaries
Walls
Troughs

Ancient records
