NEWSLETTER MARCH 2015

Just to let you all know that photographing the Giggleswick & Horton Inventories 1722-50 at Borthwick has begun, though because of restrictions on numbers we are allowed to do at once this will take several months to complete.

Langcliffe Village Hall has been booked for the 'official launch' of the project on the evening of Wed. April 22nd. The launch will consist of a PPT presentation explaining the project and how people can get involved, followed by examples of how useful the material in the Inventories can be for research purposes. Workshops will be arranged after that, probably in Settle and Horton for those that want some 'hands on' experience of transcribing the documents. Further details will be advertised nearer the time.

It is also time we renewed subscriptions to NCHRG so that we can update our records and send out information only to interested people. Below you will find a new subscription form and if you haven't yet renewed for 2015, please complete it and hand in to the office with your £1 subscription. Many thanks.
