At a meeting of the inhabitants of Settle held at Alice Wilmans, according to public notice, this 15th.April 1800

It is agreed that the appeal against Thos.Harlings removal to Langcliffe, preferred by the overseers of that Township, should be defended by Ino Peart on behalf of this place, & that he do take such measures therein, as shall appear to him necessary for our protection against such appeal.

It is further directed that the overseer should inform Robt.Hargraves, owner of the house occupied by James Ralph's family, who has left his children chargeable upon the town, that he must sell the furniture for his rent, agreed that the overseer should afterwards provide a situation for the children, to prevent the family from keeping possession of the house.

At a meeting of the inhabitants of Settle held at the house of Alice Wilman on the 29th. April 1800

It being represented that the allowance of 5/- p.wk. which Mary Camm has with Eliz.Coar is not sufficient considering the trouble she has with her, it is agreed that it be increased 1/- p.wk. at the discretion of the overseer.
